Message from the Diocese Regarding Global Coptic Day

- This Sunday, June 1st, the Feast of the entry of our Lord Jesus Christ to Egypt.
- As everyone knows, in addition to the Feast of the Entry of our Lord Jesus Christ to Egypt, today we celebrate Global Coptic Day, a day which reminds the world of the invaluable contributions of the Coptic Orthodox Church.
- We are encouraging all Copts to post messages on X (Twitter) to share all types of information, articles, links, photos, videos, etc., all related to the Coptic Church... and use the hashtag #globalcopticday.

Message from the Diocese Regarding Global Coptic Day

- If you don't already have an account on X, please create one. It's easy and it's free.
- Our objective is to have Global Coptic Day be one of the trending topics on June 1st so that many of the 300 million daily users on X might be curious about our church and want to learn more. This is a type of global evangelism.
- Make as many posts as possible today and share as many of the Coptic posts as you can. Don't forget to use the hashtag #globalcopticday
